

FOR IMMEDIATE RELEASE

AirNet Hires Southeastern Regional Sales Manager

COLUMBUS, Ohio – July 31, 2009 – AirNet Systems, Inc. (“AirNet”) is pleased to announce that David Durham has joined the company as Regional Sales Manager of the Southeast Region.

Mr. Durham will be involved in driving new business and supporting current customers in the Southeast Region of the United States. His territory encompasses the states of North Carolina, South Carolina, Georgia, Alabama, Tennessee, and Florida, all areas where AirNet has seen a dramatic increase in business during the past year.

Mr. Durham comes from a long and successful career in the transportation and logistics industry with over twenty years of professional selling and industry experience. Most recently, he worked for DHL Same Day Service / Sky Courier, Inc., where he spent eleven years providing customized shipping solutions for customers requiring both domestic and international time-critical shipping solutions.

According to Frank DiMaria, Senior Vice President of Sales and Marketing for AirNet, “We are excited to have Dave join AirNet. His knowledge of the time-critical transportation market, coupled with his extensive sales and customer service experience in the region will enable him to provide our customers with value-added transportation solutions and superior service.”

Mr. Durham has a BBA in Management with a minor in Economics from West Georgia College.

About AirNet:

AirNet Systems, Inc. focuses its resources on providing value-added, time-critical aviation services to a diverse set of customers in the most service-intensive, cost-

effective manner possible. AirNet operates an integrated national transportation network providing expedited transportation services to banks and time-critical small package shippers nationwide. AirNet's aircraft are located strategically throughout the United States. To find out more, visit www.airnet.com.
