

FOR IMMEDIATE RELEASE

Tom Kirschbaum Hired as National Sales Manager at AirNet

COLUMBUS, Ohio – June 30, 2009 – AirNet Systems, Inc. (“AirNet”) is pleased to announce that Tom Kirschbaum has joined the company as National Sales Manager.

Mr. Kirschbaum is a results-driven sales and marketing professional with over fifteen years in the aviation and aerospace industry. Mr. Kirschbaum will focus on developing new business and managing existing business of AirNet’s growing aircraft maintenance division.

Widely recognized as one of the largest air cargo companies, AirNet is also a FAR Part 145 Certified Repair Station that provides a full spectrum of aircraft maintenance and repair services, including routine and preventive maintenance, avionics installation and service, and airframes service.

Mr. Kirschbaum has previously worked for Avidyne Corporation and Ryan International, Inc. His experience includes sales and marketing, business consulting, and finance.

“Tom has an incredible knowledge of the inner workings of the aviation industry,” says Frank DiMaria, Senior Vice President of Sales and Marketing for AirNet. “His solid reputation and business network are invaluable assets for us as we continue to grow at a rapid rate,” he adds.

Mr. Kirschbaum earned a BA degree in Aviation Management from The Ohio State University.

About AirNet:

AirNet Systems, Inc. focuses its resources on providing value-added, time-critical aviation services to a diverse set of customers in the most service-intensive, cost-

effective manner possible. AirNet operates an integrated national transportation network providing expedited transportation services to banks and time-critical small package shippers nationwide. AirNet's aircraft are located strategically throughout the United States. To find out more, visit www.airnet.com.
