FOR SHIPMENTS ORIGINATING IN THE UNITED STATES AND PUERTO RICO

At the time of enrollment, you received information on the returning shipping service by AirNet. There is no charge to the client for returning the cord blood specimen and material blood sample to our lab.

### Shipping instructions for returning your U-Cord<sup>TM</sup> Specimen to Cryo-Cell:

- 1** Insert Cord Blood Kit and Paperwork into box.
- 2** Call AirNet at **1-866-INFANT1** (1-866-463-2681) within two (2) hours following the birth(s).
- 3** Identify yourself as a Cryo-Cell client and provide your client ID#.
- 4** Courier will arrive to pick-up your specimen.
- 5** AirNet will notify you by e-mail, pager, or phone upon delivery of your specimen to CRYO-CELL.

Cryo-Cell requires that your specimen arrive to its lab ASAP, but within 36 - 48 hours of birth.

AirNet provides \$1,000 insurance coverage for specimens shipped.

**DO NOT REFRIGERATE THE SPECIMEN. PLEASE LEAVE AT ROOM TEMPERATURE.**
